Summer 2004

The Indiana Society for Healthcare Human Resources Administration

## Bill Lewis President of ISHHRA

Bill Lewis is the President of ISHHRA for 2004-2005. Bill is the Director of HR at Schneck Medical Center in Seymour. Previously, he was Director of HR at Clinton County Hospital.

Bill has set forth two primary goals for ISHHRA for 2004: Increase the number of ISHHRA members, and complete the revision of the ISHHRA website. You can find a message from Bill on the ISHHRA website at [www.ISHHRA.com](http://www.ISHHRA.com).

## ISHHRA Website Revised

Check out the newly designed ISHHRA website at [www.ISHHRA.com](http://www.ISHHRA.com). You can find information about current conference planning, future conferences, and links to national conference information such as ASHHRA and SHRM. We also keep the agendas of previous conferences available so that those of you who need to have documentation of participation for certification as PHR or SPHR can refer to the website for the titles of the educational programs sponsored by ISHHRA for a two year period. Great HR links, too!

## Summer Golf Outing and Conference June 24-25, 2004 at Fourwinds in Bloomington.

Be sure to review the website for information about this great summer

event. The Fourwinds is a favorite of ISHHRA members. It is not necessary to play golf to attend the Friday conference. Registration forms may be accessed on the website and faxed, emailed, or mailed to Doug Jontz in Hammond.

## Future ISHHRA Conferences

Plans are underway for the Fall Conference at St. Francis in Indy in October, and the Spring Conference and Annual Meeting in Indy in March. By popular demand, the conference will again be at the Sheraton North. Check the website for Dates and times.
