Human Resources in Healthcare

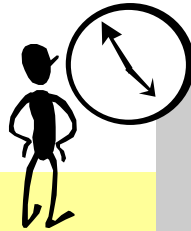

Are you a Human Resources professional working in a healthcare environment? If so, you know that your HR challenges, issues and opportunities are vastly different from other industries and businesses.

It's time for you to join the Indiana Society for Healthcare Human Resources Administration!

It's time for you to be part of a great group of HR professionals who share your same concerns and goals.

It's time for you to gain access to numerous HR, healthcare related resources.

It's time to move your career ahead through membership in a vital professional society dedicated to promoting best practices in Human Resources in the healthcare arena.

The Many Benefits of Joining ISHHRA Include....

- 1. Substantially reduced costs on ISHHRA conference fees*
- 2. Access to the ISHHRA membership list*
- 3. The HR Legal Help Line. A free service provided by Hall Render*
- 4. The ability to post open HR positions and to view any openings posted by other members*
- 5. The opportunity to network with HR professionals in Healthcare*

Our diverse group contains 156 members from hospitals and health systems located in all 4 corners of the state of Indiana, including Gary, Jeffersonville, Angola and Evansville. (And everywhere in between!!) Some members are PHR's or SPHR's. Some are members of ASHHRA or SHRM. All are committed to working together to promote Human Resources in the Healthcare field.
